(*c*) Yes.

(*e*) 251,

SRI B. B. SAYANAK.—Sir, to my question whether Marathi Primary School Building No. 13 collapsed 7 years ago in Shahapur, Belgaum the answer is 'No.'. May I known whether School No. 13 collapsed or not? If collapsed in which year it has been collapsed?

†SRI B. SUBBAYYA SHETTY.—Sir. actually the hon. Member had also asked in a call attention motion regarding some of these points. Any way, I will answer his question. The Marathi School Building No. 13 belonged to erstwhile Sangli State. It is a very old building and the building was in a dilapidated condition. Then, the Government found that it cannot serve the purpose and decided to to dismantle the building in 1974. That is the position. So, the building did not collapse, it got dismantled.

SRI B. B. SAYANAK.—Sir, whether it is a fact that some wood was auctioned and the amount realised from that auction was deposited in the treasury?

SRI B. SUBBAYYA SHETTY.—Sir, about that I have no information.

SRI B. B. SAYANAK.—All though the school building was dismantled in the year 1974, why Government has not taken action to construct this building?

SRI B. SUBBAYYA SHETTY—It was decided to construct the Marathi School building on the existing site where the school building No. 13 was dismantled and the expenditure for the construction of this school was to be shared by the Government and the Belgaum Munisipal Corporation. But later on, the Belgaum City Municipal Corporation did not contribute for the construction of the Primary School building due to paucity of funds. At present, the Marathi School No. 13 is being run on shift basis in a near by building where the Marathi Boys School No. 19 is run.

SRI B. B. SAYANAK.—Sir, you have said that due to paucity of funds the Belgaum Municipal Corporation did not contribute funds for the construction of the School building., Has it come to the notice of the Government that the Corporation is giving amount for charitable institutions?

SRI B. SUBBAYYA SHETTY.—Sir, the latter part of his question, I do not know.

SRI B. B. SAYANAK.—Sir, since the Marathi Boys School No. 19 is one mile away from the Marathi Boys School No. 13, I request the Government to take up the construction of school building No. 13 immediately.

SRI B. SUBBAYYA SHETTY.—It is under consideration.
